Software Web Developer

https://www.linkedin.com/in/rashaali/

.

PROFILE SUMMARY

- Years of hands on **C#** and Microsoft **SQL Server** Well versed with **.NET technologies** like **ASP.NET**, **ADO.NET** and AJAX, **Development** and support of **windows/web-based Applications** , End-to-End software development life cycle experience (**SDLC**),Hands on experience in **database technologies** Microsoft **SQL Server.**

- **Software testing , ISTQB CTFL** (*International Software Testing Qualifications Board)*, Officially certified tester foundation level with **80%** passing exam score in **May 2017** exam round .Primary Knowledge **Manual** & Automated Testing for Software Quality Assurance (**SQA**),Primary Knowledge in Open-Source Automation Tools (**Selenium**).

- **2016 / 2017** in progress **Master Degree Student** , **Computer Engineering Department- Cairo University** , Courses taken so far **:**

  - Advanced Logic Design – Exam passing score : **Excellent A-**
  - Advanced Algorithms – Exam passing score : **Excellent A-**
  - Advanced Computer Network – Exam passing score : **Excellent A+**

Performance Profile

Good communication skills.

- Extensive knowledge of computers and software applications.
- Strong understanding about the role technology plays in media and information.
- Able to maintain patience with students and teachers that are new technology learners.

EDUCATIONS & CERTIFICATIONS

Software Engineer

- **2017** completed **the ISTQB CTFL (***International Software Testing Qualifications Board***) exam successfully, The passing score is 80 %** in the exam that took in <u>May- 2017</u> , Certificate **code** is 170504017

- **IELTS certified (Cambridge General Module), Exam was on 16th of December , 2017,held by British council in RAK, UAE.**

- Completed the "**Best QA Manual Software Testing: Live Project + Agile + Jira**" on Dec. 3, 2017 on **UDemy** online education platform.

- Completed the "**How to create a website using wordpress step by step**" on **U-Demy** online education platform .

- **2016 / 2017** <u>in progress</u> **Master Degree Student** , **Computer Engineering Department- Cairo University**

   Courses taken so far **:**

   - Advanced Logic Design – Exam passing score : **Excellent A-**
   - Advanced Algorithms – Exam passing score : **Excellent A-**
   - Advanced Computer Network – Exam passing score : **Excellent A+**

- <u>**2009**</u> Completed Implanting **a Microsoft SQL Server 2005 Database course,** Certificate of completion is given by **Synergy Professional** Service Centre, Cairo, Egypt.

- <u>**2008**</u> **Completed Advanced Web Application Development** , the certificate of Completion is provided by a Microsoft Certified Golden Partner Centre in Cairo , Egypt .

- **2001 – 2006 Computer Engineering Department** , **Faculty of Engineering Cairo University**
  Degree: BSC Computer Engineering – **Passing grade : 72.11 % -Good.**
  Graduation Project (I See to Hear – C sharp , SQL server **) – Grade: Very Good.**

KEY SKILLS

Software Engineer	IT Project Management	Software Quality Assurance Engineering	Software Quality Assurance Engineering
- Microsoft **Asp.Net** 3.5,4.0,4.5, **C#** 3.0, **LINQ**, **AJAX** Web Services **SQL** Server Understanding of Entity Framework ,**TFS** – Source control **Object Oriented Development** Effective Customer Interaction and co-ordination of development	Experience with **complete** application **development lifecycle** including **Requirements** Gathering, **Analysis**, **Designing**, **Coding**, **Testing** and **Deployment**	- Test cases, Defect tracking, Build and Deployment - SQA Tools & Best Practices - Test Cases, Plans & Scripts - Defect & Bug Discovery Reporting	- SDLC – Waterfall, Agile. - Middleware & Systems Integration. - System & Unit Testing - Acceptance Testing - Regression Testing - Load Testing

Software Engineer

activities.

Technical Skills

Tools & Technology Used	
Software Management Systems	MS Project, VISO, Jira
IDE's	MS-Visual Studio, SQL Management Studio
Modelling Tools	UML, VISIO
Requirements Management	IBM Requirements Composer
Programming Languages	C#
Web Technologies	ASP.NET , Ajax 3.0/2.0, JavaScript, HTML
UI Technologies	Web Forms, HTML, CSS
.Net Frameworks	.Net Framework, ADO.NET,LINQ, Entity Framework
Databases	MS SQL SERVER
Reporting Tool	SQL Server Reporting Services (SSRS
Version Control Tools	MS-VSS, MS-TF
Application Servers & OS	Windows Server

Work Experience

Role : Software Quality Tester – Proven Tester
My online profile @UTest : https://www.utest.com/profile/rashaali84@gmail.com/about

Projects list:
Creating detailed bug reports and crash logs using (Windows Browsers Web Console Log feature/Charles web debugging proxy software and 3U-Tools) for both Webs and Mobile platforms.

 For the following projects cycles:

- o **Ounass iOS exploratory mobile cycle - 09.11.2018.**
- o **Gigster - HPI Desktop/mobile cycle - Functional - 11/28/2018.**
- o **lifebox iOS Store Build Exploratory Cycle 24.11.2018.**
- o **[FN] Olympic Channel - Web Prod CW51/18.**
- o **[FN] Sneak Peek - Patek Philippe - Web Responsive page.**
- o **Etisalat – Chat bot special cycle - Test case cycle - CW50/2018 / Test Cycle.**
- o **Etisalat – Chat bot special cycle - Voice recording cycle - CW51/2018 / Test Cycle.**
- o **Nike.com - Tech Validation Exploratory Test - 12.26.18 / Test Cycle .**
- o **Etisalat-Website – Test cases& Exploratory testing-CW04/2019 .**
- o **Nike.com - Cloud - Landing Page - Nike - 10.21.2019 / Test Cycle**

- **2016 / 2017** in progress **Master Degree Student** , **Computer Engineering Department- Cairo University**

    Courses taken so far **:**
    - **-** Advanced Logic Design – Exam passing score : **Excellent A-**
    - **-** Advanced Algorithms – Exam passing score : **Excellent A-**
    - **-** Advanced Computer Network – Exam passing score : **Excellent A+**

Software Engineer

Company: Freelancer / Part time
Software Web Developer

Freelance jobs list :

Role   Asp.net/C# Developer :

- www.eacmed.org website for registering doctors certifications

  for Egyptian ministry (asp.net 4.0, Microsoft SQL Server) - 2015.
